Greetings, Chamber of Commerce Members!

As most of you know, Sara Kelly of Sara Kelly Graphics and Design has been a huge asset to the Chamber for many years. Although she has stepped down in her role on the board, we have secured her services for some of our administrative needs. Thank you Sara for your dedication to the Chamber and your community! Jessica Jones of Jones Business Services remains our bookkeeper.

Thank you to Alan Davis and the Beautification Committee for their hard work in getting the planters planted and making the village pop with beauty! A huge thanks to Corals Corner, Beth O'Grady for their generous donations of plants, flowers and soil.

Any items purchased comes from our clothing bin funds, so please don't forget to drop off your unwanted cloths, pillows, stuffed animals, shoes, blankets, etc (a full list is on the bin) in Varak Park.

NO Electronics and please don't leave items on the ground. If it doesn't fit in the bin, please take with you and dispose of properly.

COLUMBUS DAY WEEKEND TOWN WIDE TAG SALE

The chamber will once again host the village town wide tag sale Columbus Day weekend, Oct 9-11 by putting out a press release and putting out our signs to draw the crowds to Cambridge for the weekend. Another great time for all our retail businesses to put out those sidewalk sales as these town wide tag sales draw crowds from all over. Again, let us know what your plan is and we will get the word out for you!

HELP SPREAD THE WORD:

The Lions Club will hold their concert series this year, Thursday nights July 8, 15, 22 & 29.

MIXERS ARE BACK!

After what seems like forever, business are opening their doors once again or for those that were able to stay open, lifting many restrictions. We want to celebrate with a long overdue mixer! Shawn Bateman, new to our board, along with her family has opened their new winery. **Wednesday June 30th 6-9pm. Our host for the Mixer, South Dominion Vineyard.** Located at 166 Brownell Rd, Cambridge, NY 12816. Each guest will receive a complimentary glass of wine and there will be refreshments. Cash bar available.

Cost to attend, "Pay what you will" We just want to see you all and catch up, enjoy some tasty treats and wine! Bring a friend or two, all are welcome.

BALLOON FESTIVAL Postponed to October, date still to be determined. We will get the word out as soon as it is confirmed but we are looking at Oct 16 or 23rd.

At the time planning would have had to begin, CDC guidelines could not be met for us to put on our 20th Anniversary festival. So for the 2nd year in a row we had to cancel our big event.

However this year, because some restrictions have lifted, we are planning a one day smaller scale event in October. There are still many restrictions that keep us from going much bigger with our plans this year and we want to save our 20th celebration for when we can do it up BIG. **Save the dates, June 3-5, 2022 for Cambridge Valley 20th Anniversary Balloon Festival** and until then, join us in October for a fun filled day block party style.

We will close down broad street for music, BBQ, tag sale of past balloon merchandise and more. There will be a morning launch and evening one weather permitted. We are also hoping to pull off a moon glow in the evening.

More details to come so check out our Face book page and press releases. This will be a great time for businesses to get out those sidewalk sales and participate in the day. If you have an event going on that day, let us know so we can post for you and get the word out.
